September 2007

## **Dear Skein Lane Community:**

Hope you are enjoying or have enjoyed Labor Day. I don't know about you but July and August just escaped me. I am now calling that period the vacation months for our website and newsletter. I wasn't away...just consumed with some other projects...some of which you will hear about throughout this newsletter.

Most recently my extended family was struck with sadness at the unexpected death of my favorite uncle, Bill, mom's brother. During this period of sadness, it was particularly uplifting to meet so many of the people who have such wonderful memories of him.

I mentioned in the June newsletter that the eBay store, [Skein Lane Outlet](#) is up. Have continued to list items...learn more and now will be teaching a 3-hr class, *Getting Started on eBay*, in September at the Albany Adult School. If you are interested in taking the class contact [Albany Adult School](#).

I have been working on gift projects and the [Laurel ripple afghan](#) has really grown. It's a gift for long-time Colorado friend, Barb, who has done many favors for me over the years. I keep sending her pictures to show the progress. You know how long an afghan on size 8 needles can take? It is 240 stitches and a 4-row ripple pattern. I try to get 8 rows a day done.

And my collection of socks is continuing to grow....have many of a pair and am working on the second sock of many of those pairs. I should be well "socked" this fall.

Our annual [September Skein Lane knitting retreat](#) is literally just days away. We will be meeting again at Marconi Conference Center near Pt Reyes. It is always such a joyful time!

So...what has been consuming me other than life in general, my great passion for knitting and the Skein Lane Studio? During the months of June and July I spent some time helping with the opening of [K2TOG](#) on Solano Ave in Albany. And when August rolled around I decided to seek temporary part-time employment in my old working field of accounting. Imagine my pleasure, surprise, and yes a little shock, when I "landed" a temporary full-time position in less than a week. That created a "mad scramble" to rearrange many of my plans...all is in place now. One of the knitting workshop groups is meeting at k2tog on Tuesday mornings until that time slot opens up for me again. (Looks like my temporary work assignment will last through the end of the year.)

**Yarn News** A new shipment of [Laurel](#) from Schaefer Yarns will be arriving here in the next day or two. If you haven't knit with it or are wanting to make another project with it, call 510.525.9276 for available colors. We can also special order for you.

And don't forget about Brown Sheep's [Cotton Fleece](#). It's available by phone or through the Studio.

We will have a special shipment of yarns from [Lisa Souza](#) for the Retreat and it is also available by special order.

And if you are needing patterns, we still have a good supply of Fiber Trend, Oat Couture, Knitting Pure and Simple, and Ann Norling patterns. Just give us a call or send an email.

**Retail News** Have you heard that The Knitting Basket in Montclair is closing at the end of September? Rachel sent out a notice two or three weeks ago..and I just checked the website but it doesn't contain any information. So you might just want to call 510.339.6295 to learn more about it. We will miss Rachel and The Knitting Basket in the knitting community.

During June (I think) some of us drove to Petaluma to hear Stephanie Pearl-McPhee of [Yarn Harlot](#) fame speak at a local book store. She was most entertaining....spoke for nearly an hour and had her audience captivated.

And most importantly, be sure to check out our [customer project page](#). It is such a joy to see all the creativity. And check back through out the month...I have lots more to post.

And now on to more knitting....hope you have many projects ahead of you.

### **Classes**

#### **[Top Down Sweater](#)**

Another Top-Down Sweater class begins in October. The one that we had this summer was so successful. All 12 sweaters have turned out beautifully...there will a picture up on the website during September. We need to regroup and have our photo taken.

The fall sessions of [Knitting Workshops](#) begin this next week, September 4.

We are continuing the socks from Nancy Bush's *Vintage Socks* book. Now that we have mastered some of the techniques the class has evolved into a [Vintage Sock Club](#). Each month we will start a new sock and forge ahead.

For those of you who have not had a chance to learn to knit socks, we are offering another [Basic Sock](#) class in September.

Some of our future offerings will include: The Saturday Morning Jacket from Chris Bylsma, The % Sweater from Elizabeth Zimmerman, The Wallaby from Cottage Creations and more. They will be listed soon...but if you are interested please contact me so that I can put you on the roster.

And join us for our knitalongs from 2-4pm on Saturday afternoons.

In our studio setting we have consultation hours. If you need help you can either call or e-mail for free consultation. You can also schedule an in-person consultation appointment for a fee of \$5.00 for 15 minutes or \$20.00 per hour. We look forward to being able to help you with your knitting opportunities.

It's exciting that we have a small offering of yarn available in our studio. You can call 510.525.9276 or e-mail [skeinlane@aol.com](mailto:skeinlane@aol.com) and let us know what you are looking for.

Happy knitting and stitching to all! It's great to be back in touch.

#### **SKEIN LANE KNOW HOW**

My tip for the month! Don't wait two months to write a newsletter....it becomes a book! But really I do have a tip. I recently reworked the neckline of the back of a Melissa Leapman design so that the neckline was applied as it was knit rather than knit and then sewn on. The fitting within the neck area was much better this way. No fanning! I will post pictures under tips on the web site shortly.

Do you have a knitting time-saver? Got a hot crochet tip? Share your know how with other Skein Laners! Submit your tip or other helpful hint for knit or crochet by email to [info@skeinlane.com](mailto:info@skeinlane.com). If our staff chooses your tip for the newsletter, we'll mention your name with gratitude and even give you a prize.
